

PaperBridge Sample Paper

Abstract

This paper demonstrates a text-layer PDF with a figure caption, a table caption, and references.

1 Introduction

PaperBridge converts academic PDFs into JSON, Markdown, TXT, and DOCX outputs. As shown in Figure 1, the pipeline keeps assets separate from text.

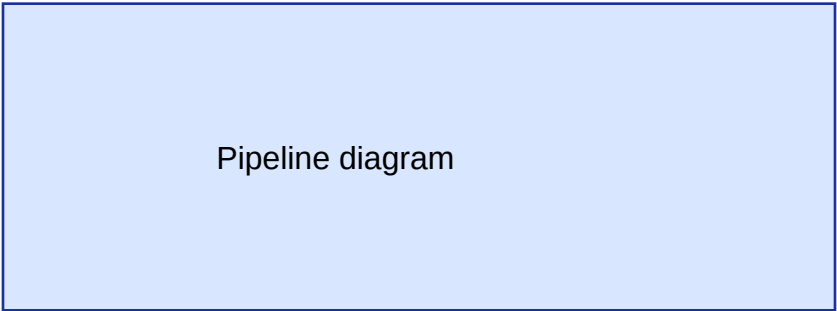

Figure 1. Overview of the proposed PaperBridge conversion pipeline.

Table 1. Comparison of output formats.

Format	Editable	LLM Friendly
JSON	No	Yes
DOCX	Yes	Partial
